KOERYGISE

A Diary Beyond Earth

A new literary work by Monica Dinco

Some lives begin between worlds.

A poetic journey through love, memory, loss, and existence - told from a perspective unlike anything you have ever read.

Koerygise Press Notes

THE BOOK

Koerygise: A Diary Beyond Earth is a poetic literary novel about love, memory, time, and the invisible threads that connect a life to the worlds beyond it. Told through intimate diary entries, it invites readers to reflect, feel, and discover their own meaning within the story.

THE AUTHOR

Monica Dinco writes stories that explore emotional landscapes often left unspoken. Her work combines poetic language, introspective storytelling, and philosophical reflection to create literary experiences that transcend traditional genres.

SUGGESTED MEDIA ANGLES

- Love, memory, connection, and the enduring nature of hope.
- The diary form as a quiet, intimate way of telling a larger emotional story.
- Planet Koerygise: a poetic extension of the novel for readers who want to continue the journey.
